Dear Sir:

In response to the restriction requirement mailed September 25, 2006, the Applicants respectfully request that the following remarks be made of record in the above-identified application. The claims have been divided into 9 (nine) Groups as set forth in the Office Action from which the Applicants must elect a single group for prosecution on the merits. The restriction requirement also indicates that the Applicants must elect a single species.

The Applicants provisionally elect with traverse the method of Group I and further provisionally elect with traverse the species of primary tissue as described on page 4 of the Office Action.

The Applicants traverse the restriction requirement because the Applicants believe that a search and examination of Groups I, II, and III together would overlap to such an extent that the search results would be small enough to consolidate and examine together with respect to claims 1-3.

No fee is believed to be required in connection with the filing of this response. However, if any fee is deemed necessary, authorization is given to charge the amount of any such fee to Deposit Account No. 08-2525.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Brian Remy", is written over a horizontal line.
